

Pets on Wheels is a
501c3 organization, and an
American tax-exempt nonprofit organization
Federal ID # 52-1657528.
CFC # 90148.
Combined Charity Campaign (CCC) #7722.

Donations: Your support helps Pets on Wheels provide a wide range of programs, including visits from pets and their volunteer guardians to those who are housed in an institutional setting, including hospitals, hospices, nursing homes, rehab centers, veteran hospitals, and centers. We also visit domestic violence shelters, homeless shelters and substance abuse facilities and participate in programs that allow animals to bring unconditional love to struggling veterans. Our reading assistance program brings animals into schools and libraries to help children who suffer from reading anxiety. At the other end of the education spectrum, our therapy pets also participate in college stress-free zones that students visit to relieve anxiety and depression during exam periods.

Donations can be made online via PayPal using your credit card or bank account. PayPal does not require you to open an account to send donations to Pets on Wheels.
